Activate NOW so that your benefit is available when you need it! Go to [www.CareSupportNetwork.com](http://www.CareSupportNetwork.com). Once activated, you can share your benefit with your family and gain access to a multitude of resources with just a click! With Care Support Network, you can:

- Access to resources and information on Advance Directives and Healthcare Powers of Attorney.
- Estimate what it REALLY costs – with our exclusive calculators – should a work or income reduction occur due to disability, caregiving, illness, or any other reason now or in the future.
- Find special services to assist with a short or long term disability, as well as calculate the TRUE loss of income and savings from the inability to work.
- Review the complete Wellness Center, take interactive assessments, utilize valuable care provider checklists and caregiver resources – even locate pet-care information.
- Develop care plans for the entire family and learn what care really costs and how to pay for that care, as well as create emergency Care-Alter™ contact systems for your family AND pets.
- Locate medical facilities, physicians and other care providers throughout the country, including Assisted Living, Nursing Home, Home Health Care, Adult Day Care, Homemaker Services and Rehabilitation Providers.
- View our exclusive Range of Comparative Quality™ – RCQ™ – rating system for many care providers.
- Learn about specific medical conditions and treatment options with our up-to-date Medical and Rx knowledgebase, and a library featuring exclusive care-related articles.

And much, MUCH more...!
